

Haul-out Services

In order to accommodate the wide variety of boat types and configurations, one of our managers will provide you with a custom estimate. For a sense of general haul-out costs, take a moment to review our rates to the right. All haul outs include a power washing of the boat bottom, and a courtesy wash down at launch.

Rates & Payments

- » Special services, such as unstepping masts or engine removal—or any work that requires special lifting equipment such as cranes or forklifts—will incur additional charges.
- » We charge a 2.5% convenience fee for credit card transactions.
- » Wooden boats require prior permission from yard management and may incur extra charges based on their size and condition.
- » Haul-out and lay day charges are calculated based on a minimum of 24' LOA.
- » Haul-out rates increase by \$4.00/foot if bottom paint is not purchased from the yard.
- » Payment in full is required before boats are launched or released to their owners.
- » Our rates are subject to change without notice.

Yard Policies

- » An appointment for launch must be made 24 hours in advance. Contact us from 7:30am–4:00pm weekdays.
- » We do not offer slip rental, mooring services, dry boat storage, or trailer storage.
- » We have limited docking space, so please be sure to remove boats promptly after launch.
- » No parking in the yard during weekday business hours.

Do-It-Yourself Projects

- » We have limited DIY space, so be sure to make a reservation in advance.
- » Maximum DIY boat size is 40' LOA and/or 18 tons.
- » Long-term DIY projects are not permitted without the prior approval of management.
- » Special offers and discounts are not valid for DIY projects.
- » Some restrictions apply due to environmental regulations. Please check with our staff for details.

Occasionally we announce special offers and discounts, so be sure to visit sfboatworks.com and join our mailing list, or follow us on Facebook.

San Francisco Boatworks

Your boat is important to us, and our mission is to perform the work you need in a timely and cost-effective manner. We are a full-service boatyard, performing hull maintenance and repairs, along with cosmetics on sail and powerboats, both wood and fiberglass. We also perform plumbing, electrical, mechanical, and engine repair for inboard, outboard, saildrive and outdrive engines.

In business for over 30 years, we're conveniently located just down the road from the ballpark, with easy access to San Francisco Bay. Whether you've been here before, or need a new yard, please consider us for your next haul out. We are in the business of getting you back in the water and enjoying your boat on the Bay.
